### **10.4 Use of logos**

a. Each Partner Institution agrees that the Consortium may use and display its name and logo for the purposes of the provision of the Degree Programme and the development of promotional material, Degree Programme literature and other documentation related to the Degree Programme.

b. Without prejudice to the former, the endorsement of each Partner Institution will be required prior to the explicit use of its identity (name, logo, colours and typeface) in advertisements, prospectuses and other publicity materials. In all cases, the wording should be in accordance with the guidelines of each Partner Institution.

## **Article 11 Financial management**

### **11.1 Financial agreement**

a. The Steering Committee establishes and approves the annual and multi-annual budget of the Consortium.

b. Subject to the approval of the Partner Institutions, the Steering Committee adopts and revises the Financial Agreement of the Consortium. The Financial Agreement establishes the financial regulations, procedures and reporting rules of the Consortium, including but not limited to the definition of student participation costs, the multi-annual budget for the EMJMD implementation, the internal reimbursement of eligible costs, the mobilisation of complementary non-EU funds and the distribution of the EMJMD management lump sum within the Consortium.

c. The Secretariat manages and distributes the annual budget adopted by the Steering Committee.

d. On behalf of the Consortium, the Secretariat will have the overall responsibility for the financial management of the Degree Programme, including the administration and collection of student participation costs, the management and distribution of scholarships and EMJMD scholarships, as well as managing all other income and general expenditures in relation to the Consortium.

### **11.2 Student participation costs**

b. The participation costs will be quoted in Euros and will be applied to all Partner Institutions.

c. Participation costs will be distributed among the Partner Institutions in accordance with the Financial Agreement.

e. Any exemption or partial exemption of payments or application of participation costs waivers is upon decision by the Steering Committee or stipulated by the Grant Agreement concluded between the Consortium and the European Commission.

## **Article 12 Reporting**

a. The Coordinating Institution, with the assistance of the Secretariat and all Partner Institutions, will be responsible for submitting all required reports and for reporting to the European Commission, the Consortium and other relevant bodies.

b. The Coordinating Institution, with the assistance of the Secretariat and all Partner Institutions, will be responsible for maintaining, during the term of this Agreement and for five years after its termination or expiry, full and complete records relating to the Degree Programme.

### **Article 13 Intellectual Property Rights**

a. Each Partner Institution hereby grants to the other Partner Institutions a non-exclusive, non-transferable, royalty-free licence to use their respective names and logos including trademarks, solely for the purpose of performing their obligations and exercising their rights under this Consortium Agreement. Each instance of such use of the names and logos will be in such form as agreed with the Partner Institution in question.

b. The Partner Institutions will ensure that all goodwill resulting from the use by a Partner Institution under this Consortium Agreement of the Intellectual Property Rights of other Partner Institutions will be of benefit to the owner of such Intellectual Property Rights.

c. Each Partner Institution will promptly and fully notify the other Partner Institution of any actual, threatened or suspected infringement of the other Partner Institution's Intellectual Property Rights which comes to the first Partner Institution's notice, and of any claim by any third party coming to its notice that the marketing and/or offering of the Degree Programme infringes any rights of any third party.

d. Each Partner Institution grants to the other Partner Institutions a non-exclusive, non-transferable, royalty-free licence to use their respective Intellectual Property Rights which were obtained by it separately from its activities under this Consortium Agreement (meaning any information, including knowledge, know-how or Intellectual Property Rights, which are owned or controlled by a Party on the effective date of this Agreement, or in respect of which ownership or control is acquired by a Party as a result of activities performed outside the framework of this Agreement) solely insofar as the use of such Intellectual Property Rights is necessary for the purpose of performing such Partner Institution's obligations and exercising their rights under this Consortium Agreement.

e. The Partner Institutions agree that the intellectual property rights in all materials for the Degree Programme covered by this Consortium Agreement, created by any of the Partner Institutions, will vest in and be owned by the specific Partner Institution responsible for creating and/or developing the relevant Degree Programme materials (the "originating party"), unless otherwise agreed in writing between the Partner Institutions. Materials which are created jointly by Partner Institutions under this Consortium Agreement, or which are created by the Coordinator or any of the Partner Institutions on behalf of, and in representation of, the Consortium during the course of the applicability of this Agreement will vest in and be owned by the Consortium. The ownership and control of intellectual property generated in relation to tangible and intangible materials in connection with the Degree Programme are regulated in compliance with the local legislation and regulations of the relevant Partner Institution as required by law. Generally speaking:

- If generated by a student or students participating in the Degree Programme, the ownership of intellectual property rights shall be subject to the rules of the given Partner Institution responsible for delivering the module or programme during the course of which the student or students created the intellectual property; provided that where more than one Partner Institution is responsible for delivering a module, the rules of the partner university coordinating this module apply.
- If generated by staff participating in the delivery of the Degree Programme, the ownership will be subject to the rules of the Partner Institution employing this member of staff.

### **Article 14 Confidentiality**

a. All data and other documents and information (other than promotional material) supplied in writing by any Partner Institution (the "Supplying Party") to another Partner Institution (the "Receiving Party") under this Agreement ("Supplied Material") and exhibiting "Confidential" or an equivalent classification will remain the property of the Supplying Party and will be treated as confidential, both during the performance of this Agreement and for an indefinite period thereafter.

b. The Receiving Party will not during the term of this Agreement or at any time thereafter use any Supplied Material or disclose any Supplied Material to any third party save to the extent as may be reasonably necessary for the fulfilment of the Receiving Party's duties and obligations under this Agreement.

c. Without prejudice to the above, the Receiving Party's obligations under the preceding clause will nevertheless cease to apply in the following cases:

- Where such Supplied Material becomes available to the public generally other than through a breach of this clause;
  - Where the Receiving Party can prove that the Supplied Material was lawfully known to the Receiving Party at the time of receipt from the Supplying Party and without any existing obligation of confidentiality or that the Supplied Material was already in the public domain at such time;
  - Where the Supplied Material was lawfully received from a third party without restriction or breach of any obligation of confidentiality;
  - Where the Receiving Party is required to disclose Supplied Material pursuant to a court, judicial or other lawful order; and
  - Where the disclosure of Supplied Material is required to enable the Receiving Party to comply with the information disclosure obligations required by national legislation.
- d. Each Party will make reasonable efforts to promptly advise the other Party in writing of any unauthorised disclosure or misuse of Supplied Material after it becomes aware of such unauthorised disclosure or misuse.
- e. Each Party will take measures to comply with and to bind its employees and subcontractors to comply with the confidentiality obligations stipulated herein, which may be waived only by the prior written authorisation of the Supplying Party concerned.
- f. These provisions will remain valid following the termination or expiration of this Agreement.

#### **Article 15 Insurance**

- a. The Partner Institutions undertake to cover students admitted to the Degree Programme with insurance coverage for any damages or injuries incurred within the university buildings. The students have to be insured for third party liability for damage which they may involuntarily cause to a person or their properties, to the extent to which this is legally permitted by national legislation.
- b. Students are required to obtain appropriate health insurance for the duration of their enrolment in the Degree Programme. Each Partner Institution undertakes to provide appropriate information to students for their registration in the national health system or for the provision of other forms of health insurance which may be required either before their arrival or once they have registered at the Partner Institution.
- c. The Consortium will select a suitable insurance policy for EMJMD student scholarship holders and EMJMD scholars/guest lecturers participating in the Consortium's activities, that is 100% compliant with the EACEA minimum requirements covering at least the following areas:
- Wherever relevant, travel insurance (including damage or loss of luggage); and
  - Third party liability (including, wherever appropriate, professional indemnity or insurance for responsibility); and
  - Accident and serious illness (including permanent or temporary incapacity); and
  - Death (including repatriation in case of Consortium activities carried out abroad).

#### **Article 16 Indemnity**

- a. Each Party generally undertakes to perform its scope of work relating to this Agreement, at its own risk and under its own sole liability and will bear all consequences in compliance with the provisions hereunder.
- b. Each Party will release the other Parties from all civil liability arising from loss, damage or cost, liability, litigation, expenses, injury to the person or injury resulting in death or as a result of its performance of this Agreement, unless such loss, damage or cost, liability, litigation, expenses, injury to the person or injury resulting in death is due to negligence or deliberate omission or wrongful act on the part of the other Party or its staff.
- c. Each Party in respect of any claim for which it will seek indemnity within the terms of this Agreement will:
- i. As soon as reasonably practicable after becoming aware of the claim, provide the other with reasonable details of it and thereafter provide the other in a timely manner with such information relating to the claim as may reasonably be requested by the other;

ii. Not make, and use its reasonable endeavours to procure that there is not made, any admission of liability, except with the prior written consent of the other, such consent not to be unreasonably withheld or delayed;

iii. Keep the other reasonably informed of all material developments relating to, and regularly informed of the progress of, the claim;

1. Use its reasonable endeavours to procure that the handling of the claim, including without limitation any resistance of or defence to it, is carried out and conducted in all material respects in accordance with such reasonable written directions as may be given by the other; and

2. Not settle or compromise the claim, and procure that the claim is not settled or compromised, except with the prior written consent of the other, which consent will not be unreasonably withheld or delayed.

### **16.1 Warning of other Partner Institutions**

With respect to defaults and/or difficulties in the performance of this Agreement, obligations that may give rise to a claim and/or to the application of liquidated damages for default or delay, the Parties agree to inform each other of foreseeable delays and/or failures in the performance of their works, so that any action likely to mitigate the expected delay and/or failure, or of avoiding the application of liquidated damages or any other indemnity, herein provided, may be taken.

### **16.2 Force Majeure**

a. None of the Parties to this Agreement will be responsible to another Party for any delay in performance or non-performance due to Force Majeure (which, for the purpose of this Agreement, means any causes preventing a Party from performing any or all of its obligations, which arise from or are attributable to acts, events, omissions or accidents beyond the reasonable control of the Party so prevented, including without limitation, any strike, lock-out or other form of industrial action, war, riot, civil commotion, terrorism, malicious damage, compliance with law or governmental order, rule, regulation or direction, accident, breakdown of machinery, fire, flood, storm or other natural disasters).

b. The affected Party will promptly upon the occurrence of any such events inform the other Parties, stating that such events have delayed or prevented its performance hereunder. The affected Party will then take all action within its power to comply with the terms of this Agreement as fully and promptly as possible. Should the Force Majeure in question prevail for a continuous period in excess of one month, the Parties will enter into discussions with a view to alleviating its effects or to agreeing upon alternative arrangements as may be fair and reasonable. Throughout the duration of the Force Majeure events the affected Party will make reasonable efforts to cure or reduce the effect thereof.

## **Article 17**

### **This Agreement**

a. This Agreement constitutes a contractual relationship between the Parties, which will exist only for the purposes set out in article 1 of the present Agreement. This Agreement and its annexes constitute the entire agreement and the Parties acknowledge that in entering into this Agreement no Party relies on, and will have no remedy in respect of any statement, representation, warrant or understanding, however made, other than as expressly set out in this Agreement.

b. This Agreement is not intended to create nor should it be construed as creating a corporation, agency or partnership (whether general or limited) or any legal entity or continuing relationship or commitment between the Parties other than as expressly contained in this Agreement. There will be no sharing of profits or losses among the Parties.

c. Non-enforcement of any provision of this Agreement will not constitute a waiver or precedent in respect of that or any other provision at any other time or by any other Party.

d. If any provision (or part of a provision) included in this Agreement is found to be illegal, void or unenforceable, in whole or in part, then such provision will be severed from the rest of this Agreement and the remainder of this Agreement will continue to have full force and effect for all intents and purposes of the law.

### **17.1 Transitional provisions**

The Parties agree to fully commence the Joint Master Degree Programme in Transnational German Studies, as governed by this Agreement, by September 2021.

## **17.2 Development and sustainability**

a. In terms of excellence, course integration, the joint nature of the endeavour under this Agreement and financial viability, the Partner Institutions strive to develop and implement the Degree Programme in such a way that the Degree Programme can exist beyond the EU funding period.

b. The Partner Institutions intend to secure financial sustainability beyond EU funding by:

- Committing resources “in kind” that underpin the Consortium, enabling it to continue as an international network in the future; and
- Supporting the institutional embedding of the Degree Programme in the Consortium and at the Partner Institution itself in all necessary aspects.

c. The Consortium intends to secure sustainability in terms of finances and excellence of the Degree Programme beyond EU funding by:

- Developing a portfolio approach to sources of finance, including possibilities for non-EU scholarships for students; and
- Supporting the students in minimising the associated costs and overheads for students of the Degree Programme; and
- Frequently reviewing the Degree Programme and adapting it to deliver interdisciplinary, multi-skilled graduates that respond to the needs of the sector; and
- Increasing the involvement of relevant actors from the field of German Studies in the Degree Programme, for example in the form of strategic partnerships; and
- Advancing an integrated communication strategy for marketing the Degree Programme and involving alumni, professional and educational networks and European and national agents in targeting different audiences; and
- Constantly improving the Degree Programme’s strategic positioning at global level and performing a leading and innovating role in the global higher education market.

## **17.3 Amendments, communications and new partners**

a. No change, alteration, modification or addition to this Agreement will be valid unless agreed in writing and formally executed by the Parties hereto.

b. Any demand, notice or other communication given or made, under or in connection with, this Agreement will be in writing.

c. The Consortium, through its Steering Committee, will consider requests from potential partner institutions to become members of the Consortium.

## **17.4 Dispute resolution**

a. In the event of any dispute between the Parties regarding this Agreement, the details of the subject and circumstances of any such dispute will be communicated in writing by the Party alleging the same to the other Party/Parties, and this communication will also be copied to the Steering Committee.

b. In the event of any dispute between the Parties regarding this Agreement, the Parties agree to attempt to reach an amicable settlement, in good faith, with the facilitation of the Steering Committee.

c. In the event that such an attempt is unsuccessful, any dispute will be resolved through a "Dispute Resolution Panel", that being a three-person panel composed as follows:

- The claimant and the respondent (or, in the case of multiple claimants and/or respondents, the multiple claimants, jointly, and/or the multiple respondents, jointly) will each nominate one panel member.
- The nominated members will appoint a third panel member, who also will serve as the chairperson of the Dispute Resolution panel.

d. The Dispute Resolution Panel so constituted will set its own rules of procedure and adjudicate the matter submitted to it.

e. The decision of the Dispute Resolution Panel will be final, and upon it being communicated to the Parties, they will abide by it from that date, as far as legally possible in compliance with national law.

## **17.5 Application of laws**

a. Any dispute arising out of, or in connection with, this Agreement, including any question regarding its existence, validity or termination, if not resolved by mutual amicable settlement or by means of a Dispute Resolution Panel between the Parties within a reasonable time, being no more than a total of three months, will be subject to:

- i. the national law of the Partner Institution at which the incident arose; or

- ii. should the former option not be applicable, the national law of the Coordinating Institution; or
- b. should the former options not be applicable, then Belgian national law.

Notwithstanding the previous clauses, the application of laws will be such that the national legislation of the Parties involved is accommodated as far as is practical and possible.

#### **17.6 Termination**

a. Parties to this Agreement will each be entitled to terminate their commitment to this Agreement through a phased withdrawal, for any reason, by giving at least twelve (12) months' notice in writing to the Steering Committee prior to the 31<sup>st</sup> August of any given year during the applicability of this Agreement.

b. The Steering Committee may require a Party to terminate its commitment to this Agreement if that Party persistently does not fulfil its obligations and the requirements as outlined in this Agreement.

c. In the event of a Party withdrawing from the Consortium, the Steering Committee will manage the phased withdrawal, respecting the interests of the enrolled students and ensuring the conditions for the effective continuation of their studies.

d. Any Party wishing to terminate its commitment will agree upon a phased withdrawal plan, during which its legal obligations to each student must be analysed, assessed and reported to the Steering Committee. Should the Party be unable to honour its commitment to its students during the course of its withdrawal, arrangements will be made to transfer the obligations to another Partner Institution. This may involve, among others, the transfer of funds between the Parties involved, for such purposes.

#### **17.7 Duration**

a. This Agreement will apply from 1 September 2020 to the 31<sup>st</sup> of August 2026.

b. Commencing on the 1<sup>st</sup> of September 2025, the Steering Committee will conduct a review of this Agreement and of the quality of the Degree Programme and decide whether or not it is prepared to extend this Agreement upon the same terms and conditions. This review should be completed before the 31<sup>st</sup> of October 2025, by which date the Steering Committee will be required to have presented its outcomes. After the expiration of the period referred to in paragraph a. of this article, this Agreement will be automatically extended until the outcome of a review process by the Steering Committee, with the provision that until such time as the Steering Committee completes its review, any one of the Partner Institutions may state of its own accord its intention to withdraw from this Agreement.

c. Should the outcome of the Steering Committee review require a revision of this Agreement, this Agreement will thereupon terminate and a new agreement will be formulated.

d. Should the outcome of the Steering Committee review require an extension of this Agreement, the Steering Committee will nevertheless give each Party the opportunity to continue its commitment in the terms of this Agreement or to withdraw from this Agreement, and will include in this Agreement any amendments or changes mutually agreed between the Parties.

e. At the initial stages of the commencement of a review of this Agreement by the Steering Committee under this article, each Partner Institution will state, in broad terms, its intention to continue its activities under the terms of this Agreement, or to withdraw from this same Agreement.

#### **17.8 Signature pages**

a. Attached to this Agreement are signature pages whereon each legally authorised Partner Institution representative signs together with the legally authorised representative of the Coordinating Institution, thus agreeing to enter into this Agreement. Such signature pages are considered as part of this Agreement.

b. There will be two original copies of each Signature Page, both to be signed by both representatives outlined above. Following signature, one copy will be kept by the Coordinating Institution and one by the Partner Institution concerned.

c. The Coordinating Institution will provide duplicates of this Agreement and its signed signature pages to all Parties concerned.
